COVID-19 Community Vaccination Funding Program

March 29, 2021

Addendum #1

Notice of Change to the COVID-19 Community Vaccination Funding Program

Request for Application Amendment #1

Key Dates

RFA Original Release Date: March 26, 2021

RFA Addendum #1 Release Date: March 29, 2021

Purpose

The purpose of this Amendment is to provide interested applicants with additional information about the COVID-19 Community Vaccination Funding Program. The below information supersedes the information in the RFA that was issued on March 26, 2021 and is intended to ensure Statewide distribution of funding for underserved and vulnerable populations.

1. **Targeting Strategy** – The HSCRC has posted a list of statewide ZIP codes from CRISP to aid hospitals in their targeting strategies. Please visit the program website at [COVID-19 Community Vaccination Funding Program](#) for the list of ZIP codes and vaccination data for all of Maryland's jurisdictions.
2. **Evaluation Process** – The evaluation committee formed to review applications will give equal consideration to hospitals that opt to move forward with either Target Strategy 1 ZIP codes or Target Strategy 2 ZIP codes.

Inquiries

If you have additional questions on the COVID-19 Community Vaccination Funding Program, please contact the Health Services Cost Review Commission at hscrc.grants@maryland.gov or visit the program website at [COVID-19 Community Vaccination Funding Program](#).
