Re: FY 2025 Uncompensated Care Fund Payments

Effective July 1, 2024, your hospital received a rate adjustment from the Commission. As part of that rate adjustment, your hospital's monthly payment to/from the Uncompensated Care Fund (UCC) was recalculated. Under the terms of the UCC Pool funding agreement, your hospital will begin receiving/paying this new monthly payment effective September 1, 2024. On the attached schedule, you will find your hospital's payment to/from the UCC Fund.

For those hospitals receiving payments from the UCC fund, these payments will be electronically transferred by the State of Maryland during the first week of each month. For those hospitals where payment is due to the fund, Staff would like to remind hospitals that payments are to be made on or before the 5th business day of each month. The Commission will impose a penalty of 5% on all late payments unless an extension is granted pursuant to the State Finance and Procurement Article, Title 3, Subtitle 3, Annotated Code of Maryland.
