At its June 11, 2025 public meeting the Health Services Cost Review Commission approved the continuation of its policy for funding the Chesapeake Regional Information System for our Patients (CRISP) through a broad-based uniform assessment to hospital rates. The Commission approved a total of \$12,060,000 in funding support through hospital rates in FY 2026.

Attached you will find a summary of the CRISP Assessment for every hospital in the State. This list shows the total annual assessment for your facility and the three payments that your facility will be required to make in FY 2026. Hospitals are required to remit by ACH or FedWire to the “CRISP” the amount of the assessment as shown on the attached schedule.

The instructions for submission of the assessment by ACH or FedWire, as well as the State of Maryland Account Number, are attached to this memorandum. Also, hospitals are required to submit verification of the submission of each month’s assessment to the CRISP Fund, i.e., copies of the transmission from your bank, by the fifteenth of each month.

If you have any questions, you may contact [Claudine Williams](#) or [Daniela Tamayo](#).
