IV. PROCEDURES

- A. An evaluation for Financial Assistance can begin in a number of ways:
 1. For example:
 - a. A patient with a self-pay balance due notifies the self-pay collector or collection agency that he/she cannot afford to pay the bill and requests assistance.
 - b. A patient presents at a clinical area without insurance and states that he/she cannot afford to pay the medical expenses associated with their current or previous medical services.
 - c. A physician or other clinician refers a patient for Financial-Assistance evaluation for either inpatient or outpatient services.
- B. Each Clinical or Business Unit will designate a person or persons who will be responsible for taking Financial Assistance applications. These staff can be Financial Counselors, Self-Pay Collection Specialists, Administrative staff, Customer Service, etc.
- C. Designated staff may meet with patients who request Financial Assistance to determine if they meet preliminary criteria for assistance.
 1. All hospital applications will be processed within two business days and a determination will be made as to probable eligibility. To facilitate this process each applicant must provide information about family size and income, as defined by Medicaid regulations. To help applicants complete the process, a statement of conditional approval will be provided that will list the paperwork required for a final determination of eligibility.
 2. Applications received will be sent to the JHHS Revenue Cycle Management Department for review; a written determination of probable eligibility will be issued to the patient.
 3. At Howard County General Hospital (HCGH), complete applications with all supporting documentation submitted at the hospital are approved via the appropriate signature authority process. Once approved and signed off on, the approved applications will be sent to the JHHS Revenue Cycle Management Department's to mail patient a written determination of eligibility.
- D. To determine final eligibility, the following criteria must be met:
 1. The patient must apply for Medical Assistance or insurance coverage through a Qualified Health Plan and cooperate fully with the Medical Assistance team or its' designated agent, unless the financial representative can readily determine that the patient would fail to meet the eligibility requirements. The Patient Profile Questionnaire (Exhibit B) is used to determine if the patient must apply for Medical Assistance. In cases where the patient has active Medical Assistance pharmacy coverage or QMB coverage, it would not be necessary to reapply for Medical Assistance unless the financial representative has reason to believe that the patient may be awarded full Medical Assistance benefits.
 2. All insurance benefits must have been exhausted.
- E. To the extent possible, there will be one application process for all of the Maryland hospitals of JHHS. The patient is required to provide the following:
 1. A completed Financial Assistance Application (Exhibit A) and Patient Profile Questionnaire (Exhibit B).
 2. A copy of their most recent Federal Income Tax Return (if married and filing separately, then also a copy of spouse's tax return and a copy of any other person's tax return whose income is considered part of the family income as defined by Medicaid regulations).

3. A copy of the three (3) most recent pay stubs (if employed) or other evidence of income of any other person whose income is considered part of the family income as defined by Medicaid regulations.
 4. A Medical Assistance Notice of Determination (if applicable).
 5. Proof of disability income (if applicable).
 6. Reasonable proof of other declared expenses.
 7. Non-U.S. citizens must complete the Financial Assistance Application (Exhibit A). In addition, the Financial Counselor shall contact the U.S. Consulate in the patient's country of residence. The U.S. Consulate should be in a position to provide information on the patient's net worth. However, the level of detail supporting the patient's financial strength will vary from country to country. After obtaining information from the U.S. Consulate, the Financial Counselor shall meet with the Director, Revenue Cycle and/or CFO (HCGH) or Director of RCM and/or CFO Suburban Hospital (SH) to determine if additional information is necessary.
 8. If unemployed, reasonable proof of unemployment such as statement from the Office of Unemployment Insurance, a statement from current source of financial support, etc...
- F. A patient can qualify for Financial Assistance either through lack of sufficient insurance or excessive Medical Debt. Medical Debt is defined as out of pocket expenses excluding copayments, coinsurance and deductibles for medical costs billed by a JHHS hospital, unless the patient purchased insurance through a Qualified Health Plan and meets eligibility requirements. Once a patient has submitted all the required information, the Financial Counselor will review and analyze the application and forward it to the Revenue Cycle Management Department for final determination of eligibility based on JHMI guidelines. At HCGH, the Financial Counselor will forward to Director, Revenue Cycle for review and final eligibility based upon JHMI guidelines.
1. If the application is denied, the patient has the right to request the application be reconsidered. The Financial Counselor will forward the application and attachments for reconsideration to the CFO (HCGH) or Director PFS and CFO (SH) for final evaluation and decision.
 2. If the patient's application for Financial Assistance is based on excessive Medical Debt or if there are extenuating circumstances as identified by the Financial Counselor or designated person, the Financial Counselor will forward the application and attachments to the Director of Revenue Cycle and CFO (HCGH) or Director PFS and CFO (SH). This committee will have decision-making authority to approve or reject applications. It is expected that an application for Financial Assistance reviewed by the Director of Revenue Cycle and CFO (HCGH) or Director RCM and CFO (SH) will have a final determination made no later than 30 days from the date the application was considered complete. The Director of Revenue Cycle and CFO (HCGH) or Director RCM and CFO (SH) will base their determination of financial need on JHHS guidelines.
- G. Each clinical department has the option to designate certain elective procedures for which no Financial Assistance options will be given.
- H. Services provided to patients registered as Voluntary Self Pay do not qualify for Financial Assistance.
- I. A department operating programs under a grant or other outside governing authority (i.e.: Psychiatry Program) may continue to use a government-sponsored application process and associated income scale.
- J. Once a patient is approved for Financial Assistance, Financial Assistance coverage shall be effective for the month of determination and the following six (6) calendar months. If patient is approved for a percentage allowance due to financial hardship it is recommended that the patient makes a good-faith payment at the beginning of the Financial Assistance period. Upon a request from a patient who is uninsured and whose income level falls within the Medical Financial Hardship Income Grid set forth in Appendix B, JHHS shall make a payment plan available to the patient. Any payment schedule developed through this policy will ordinarily not last longer than two years. In extraordinary circumstances and with the approval of the designated manager a payment schedule may be extended.
- K. Presumptive Financial Assistance Eligibility. There are instances when a patient may appear eligible for financial assistance, but there is no financial assistance form on file. Often there is adequate information provided by the patient or other sources, which could provide sufficient evidence to provide the patient with financial assistance. In the event there is no evidence to support a patient's eligibility for financial assistance, JHHS reserves the right to use outside

agencies in determining estimated income amounts for the basis of determining financial assistance eligibility and potential reduced care rates. Once determined, due to the inherent nature of presumptive circumstances, the only financial assistance that can be granted is either a partial a 100% writeoff of the account balance dependent upon income and FPL amounts. Presumptive Financial Assistance Eligibility shall only cover the patient's specific date of service and shall not be effective for a six (6) month period. Presumptive eligibility may be determined on the basis of individual life circumstances. Unless otherwise eligible for Medicaid or CHIP, patients who are beneficiaries/recipients of the means-tested social service programs listed by the Health Services Cost Review Commission in COMAR 10.37.10.26 A-2 are deemed Presumptively Eligible for free care provided the patient submits proof of enrollment within 30 days of date of service. Such 30 days may be extended to 60 days if patient or patients representative requests an additional 30 days.

Appendix A-1 provides a list of life circumstances in addition to those specified by the regulations listed above that qualify a patient for Presumptive Eligibility.

- L. Financial Assistance Applications may only be submitted for/by patients with open and unpaid hospital accounts.
- M. Patients who indicate they are unemployed and have no insurance coverage shall be required to submit a Financial Assistance Application (Exhibit A) unless they meet Presumptive Financial Assistance Eligibility criteria (see Appendix A-1). If patient qualifies for COBRA coverage, patient's financial ability to pay COBRA insurance premiums shall be reviewed by the Financial Counselor and recommendations shall be made to Director of Revenue Cycle and CFO (HCGH) or Director RCM and CFO (SH). Individuals with the financial capacity to purchase health insurance shall be encouraged to do so, as a means of assuring access to health care services and for their overall personal health.
- N. Patients who receive coverage on a Qualified Health Plan and ask for help with out of pocket expenses (co-payments and deductibles) for medical costs resulting from medical necessary care shall be required to submit a Financial Assistance Application if the patient is at or below 200% of Federal Poverty Guidelines.
- O. If a patient account has been assigned to a collection agency, and patient or guarantor requests financial assistance or appears to qualify for financial assistance, the collection agency shall notify RCM and shall forward the patient/guarantor a financial assistance application with instructions to return the completed application to RCM for review and determination and shall place the account on hold for 45 days pending further instruction from RCM.
- P. Beginning October 1, 2010, if within a two (2) year period after the date of service a patient is found to be eligible for free care on the date of service (using the eligibility standards applicable on the date of service), the patient shall be refunded amounts received from the patient/guarantor exceeding \$25. If hospital documentation demonstrates the lack of cooperation of the patient or guarantor in providing information to determine eligibility for free care, the two (2) year period herein may be reduced to 30 days from the date of initial request for information. If the patient is enrolled in a means-tested government health care plan that requires the patient to pay-out-of pocket for hospital services, then patient or guarantor shall not be refunded any funds that would result in patient losing financial eligibility for health coverage.
- Q. This Financial Assistance policy does not apply to deceased patients for whom a decedent estate has or should be opened due to assets owned by a deceased patient. Johns Hopkins will file a claim in the decedents' estate and such claim will be subject to estate administration and applicable Estates and Trust laws.
- R. Actions JHHS hospitals may take in the event of non-payment are described in a separate billing and collections policy (PFS046). To obtain a free copy of this policy, please contact Customer Service at 1-855-662-3017 (toll free) or send an email to pfses@jhmi.edu or visit a Financial Counselor in the Admission Office of any JHHS Hospital.
