

Q1.

## Introduction:

### COMMUNITY BENEFIT NARRATIVE REPORTING INSTRUCTIONS

The Maryland Health Services Cost Review Commission's (HSCRC's or Commission's) Community Benefit Report, required under §19-303 of the Health General Article, Maryland Annotated Code, is the Commission's method of implementing a law that addresses the growing interest in understanding the types and scope of community benefit activities conducted by Maryland's nonprofit hospitals.

The Commission developed a two-part community benefit reporting system that includes an inventory spreadsheet that collects financial and quantitative information and a narrative report to strengthen and supplement the inventory spreadsheet. The guidelines and inventory spreadsheet were guided, in part, by the VHA, CHA, and others' community benefit reporting experience, and was then tailored to fit Maryland's unique regulatory environment. This reporting tool serves as the narrative report. The instructions and process for completing the inventory spreadsheet remain the same as in prior years. The narrative is focused on (1) the general demographics of the hospital community, (2) how hospitals determined the needs of the communities they serve, (3) hospital community benefit administration, and (4) community benefit external collaboration to develop and implement community benefit initiatives.

The Commission moved to an online reporting format beginning with the FY 2018 reports. In this new template, responses are now mandatory unless marked as optional. If you submit a report without responding to each question, your report may be rejected. You would then be required to fill in the missing answers before resubmitting. Questions that require a narrative response have a limit of 20,000 characters. This report need not be completed in one session and can be opened by multiple users.

For technical assistance, contact HCBHelp@hilltop.umbc.edu.

## Q2. Section I - General Info Part 1 - Hospital Identification

Q3. Please confirm the information we have on file about your hospital for FY 2019.

	Is this information correct?		If no, please provide the correct information here:
	Yes	No	
The proper name of your hospital is: Fort Washington Medical Center	<input checked="" type="radio"/>	<input type="radio"/>	Name changed to Adventist HealthCare Fort Washington Medical Center in October 2019
Your hospital's ID is: 210060	<input checked="" type="radio"/>	<input type="radio"/>	
Your hospital is part of the hospital system called Nexus Health.	<input checked="" type="radio"/>	<input type="radio"/>	Joined the Adventist HealthCare system in October 2019

Q4. The next two questions ask about the area where your hospital directs its community benefit efforts, called the Community Benefit Service Area. You may find [these community health statistics](#) useful in preparing your responses.

Q5. (Optional) Please describe any other community health statistics that your hospital uses in its community benefit efforts.

Recognized for excellence in patient safety, Fort Washington Medical Center is a 37-bed acute care hospital in Prince George's County, Maryland. The hospital serves patients in the Fort Washington, Oxon Hill, and Temple Hills areas, as well as parts of southeast Washington, DC. Nexus Health, a private health care organization owns and manages the community-based hospital. The hospital provides general inpatient services including adult medical and surgical care, ambulatory surgical services, laboratory, radiology and diagnostic services, as well as gastrointestinal, orthopedic, plastic, rehabilitation, and respiratory therapy. Specialty services include gynecology, neurology, urology, and ophthalmology. Two prominent community-based programs include a free outpatient Diabetes Education Program and an Infectious Diseases Program (free HIV and Hepatitis C testing/education). The hospital operates one of the busiest emergency rooms in the metropolitan area, seeing nearly 40,000 patients each year, and has just over 400 employees. The facility currently has 24-hour coverage for neurology, which encompasses most of the common neurological complaints such as headaches, stroke, multiple sclerosis and other primary neurological services. Neurologists specialize in disorders of the brain, spinal cord, peripheral nerves, and muscles. The FWMC operates a Pain Management Center to meet the needs of the large proportion of patients with chronic pain related conditions including sickle cell disease. In collaboration with DaVita Dialysis, FWMC operates inpatient dialysis for patients admitted to the hospital with End-Stage Renal Disease. FWMC continues to address chronic health issues in its community. Prince George's County leads the state in the number of new HIV diagnoses, having surpassed Baltimore City. In November of 2016, FWMC became the first hospital in Prince George's County to be a FOCUS partner. Gilead launched the FOCUS program to develop replicate model programs that embody best practices in HIV screening and linkage to care. The program targets 32,623 individuals and we reached 25,786. Staff from various departments took part in 22 health improvement initiatives throughout the community at local faith-based organizations, schools, and community centers and hosted diabetes education classes that offered one-on-one education to community residents. Fort Washington Medical Center also recognizes that approximately 19 percent of the residents report symptoms of mental illness. As an acute care facility, FWMC is committed to providing care for these individuals. For now, the main interface for such patients is through the Emergency Department.

Q6. (Optional) Please attach any files containing community health statistics that your hospital uses in its community benefit efforts.

## Q7. Section I - General Info Part 2 - Community Benefit Service Area

Q8. Please select the county or counties located in your hospital's CBSA.

- Allegany County
  Charles County
  Prince George's County  
 Anne Arundel County
  Dorchester County
  Queen Anne's County

- |   |  |  |
|---|--|--|
| <input type="checkbox"/> Baltimore City   | <input type="checkbox"/> Frederick County  | <input type="checkbox"/> Somerset County   |
| <input type="checkbox"/> Baltimore County | <input type="checkbox"/> Garrett County    | <input type="checkbox"/> St. Mary's County |
| <input type="checkbox"/> Calvert County   | <input type="checkbox"/> Harford County    | <input type="checkbox"/> Talbot County     |
| <input type="checkbox"/> Caroline County  | <input type="checkbox"/> Howard County     | <input type="checkbox"/> Washington County |
| <input type="checkbox"/> Carroll County   | <input type="checkbox"/> Kent County       | <input type="checkbox"/> Wicomico County   |
| <input type="checkbox"/> Cecil County     | <input type="checkbox"/> Montgomery County | <input type="checkbox"/> Worcester County  |

Q9. Please check all Allegany County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q10. Please check all Anne Arundel County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q11. Please check all Baltimore City ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q12. Please check all Baltimore County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q13. Please check all Calvert County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q14. Please check all Caroline County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q15. Please check all Carroll County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q16. Please check all Cecil County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q17. Please check all Charles County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q18. Please check all Dorchester County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q19. Please check all Frederick County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q20. Please check all Garrett County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q21. Please check all Harford County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q22. Please check all Howard County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q23. Please check all Kent County ZIP codes located in your hospital's CBSA.

*This question was not displayed to the respondent.*

Q24. Please check all Montgomery County ZIP codes located in your hospital's CBSA.

Q25. Please check all Prince George's County ZIP codes located in your hospital's CBSA.

Q26. Please check all Queen Anne's County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q27. Please check all Somerset County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q28. Please check all St. Mary's County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q29. Please check all Talbot County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q30. Please check all Washington County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q31. Please check all Wicomico County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q32. Please check all Worcester County ZIP codes located in your hospital's CBSA.

This question was not displayed to the respondent.

Q33. How did your hospital identify its CBSA?

Based on ZIP codes in your Financial Assistance Policy. Please describe.

Based on ZIP codes in your global budget revenue agreement. Please describe.

Based on patterns of utilization. Please describe.

Fort Washington Medical Center identifies its CBSA using population health data captured via its electronic medical records system, which is CPSI. Data includes patient information from admissions and the emergency department such as a patient's demographic information, personal and family medical history, allergies, immunizations, medications, health conditions, contact, and insurance information. The demographic information is used to parse which communities utilize our services, how often, and the type of service(s)/care a patient most requires.

Other. Please describe.

FWMC identifies its CBSA based on computer programs & systems (EMR/EHR)

Q34. (Optional) Is there any other information about your hospital's Community Benefit Service Area that you would like to provide?

FWMC focuses on improving patient safety. The hospital is the proud recipient of the following safety awards: High Performing Hospital for heart failure by U.S. News & World Report; 2019 Five stars for appendix removal surgery by Healthgrades; 2019-2017 Five stars in orthopedics for treatment of hip fractures by Healthgrades; 2018-2011 Five stars in cardiac for treatment of heart failure by Healthgrades; 2018 Patient Safety Excellence Award™ by Healthgrades; 2018 Five stars for gallbladder removal surgery Healthgrades; and 2018 Health Quality Innovators Award for prevention of falls.

### Q35. Section I - General Info Part 3 - Other Hospital Info

Q36. Provide a link to your hospital's mission statement.

<https://www.fortwashingtonmc.org/about/mission-values/>

Q37. Is your hospital an academic medical center?

- Yes  
 No

Q38. (Optional) Is there any other information about your hospital that you would like to provide?

FWMC focuses on improving patient safety. The hospital is the proud recipient of the following safety awards: High Performing Hospital for heart failure by U.S. News & World Report; 2019 Five stars for appendix removal surgery by Healthgrades; 2019-2017 Five stars in orthopedics for treatment of hip fractures by Healthgrades; 2018-2011 Five stars in cardiac for treatment of heart failure by Healthgrades; 2018 Patient Safety Excellence Award™ by Healthgrades; 2018 Five stars for gallbladder removal surgery Healthgrades; and 2018 Health Quality Innovators Award for prevention of falls.

Q39. (Optional) Please upload any supplemental information that you would like to provide.

### Q40. Section II - CHNA Part 1 - Timing & Format

Q41. Within the past three fiscal years, has your hospital conducted a CHNA that conforms to IRS requirements?

Yes

No

Q42. Please explain why your hospital has not conducted a CHNA that conforms to IRS requirements, as well as your hospital's plan and timeframe for completing a CHNA.

*This question was not displayed to the respondent.*

Q43. When was your hospital's most recent CHNA completed? (MM/DD/YYYY)

05/13/2019

Q44. Please provide a link to your hospital's most recently completed CHNA.

<https://www.fortwashingtonmc.org/services/community-health/>

Q45. Did you make your CHNA available in other formats, languages, or media?

Yes

No

Q46. Please describe the other formats in which you made your CHNA available.

*This question was not displayed to the respondent.*

### Q47. Section II - CHNA Part 2 - Participants

Q48. Please use the table below to tell us about the internal participants involved in your most recent CHNA.

	CHNA Activities										Other - If you selected "Other (explain)," please type your explanation below:
	N/A - Person or Organization was not Involved	N/A - Position or Department does not exist	Member of CHNA Committee	Participated in development of CHNA process	Advised on CHNA best practices	Participated in primary data collection	Participated in identifying priority health needs	Participated in identifying community resources to meet health needs	Provided secondary health data	Other (explain)

Q51. Section II - CHNA Part 3 - Follow-up

Q52. Has your hospital adopted an implementation strategy following its most recent CHNA, as required by the IRS?

- Yes
- No

Q53. Please enter the date on which the implementation strategy was approved by your hospital's governing body.

06/30/2019

Q54. Please provide a link to your hospital's CHNA implementation strategy.

<https://www.fortwashingtonmc.org/services/community-health/>

Q55. Please explain why your hospital has not adopted an implementation strategy. Please include whether the hospital has a plan and/or a timeframe for an implementation strategy.

*This question was not displayed to the respondent.*

Q56. Please select the health needs identified in your most recent CHNA. Select all that apply even if a need was not addressed by a reported initiative.

- Access to Health Services: Health Insurance
- Environmental Health
- Oral Health
- Access to Health Services: Practicing PCPs
- Family Planning
- Physical Activity
- Access to Health Services: Regular PCP Visits
- Food Safety
- Respiratory Diseases

- Access to Health Services: ED Wait Times
- Adolescent Health
- Arthritis, Osteoporosis, and Chronic Back Conditions
- Behavioral Health, including Mental Health and/or Substance Abuse
- Cancer
- Children's Health
- Chronic Kidney Disease
- Community Unity
- Dementias, Including Alzheimer's Disease
- Diabetes
- Disability and Health
- Educational and Community-Based Programs
- Global Health
- Health Communication and Health Information Technology
- Health Literacy
- Health-Related Quality of Life & Well-Being
- Heart Disease and Stroke
- HIV
- Immunization and Infectious Diseases
- Injury Prevention
- Lesbian, Gay, Bisexual, and Transgender Health
- Maternal & Infant Health
- Nutrition and Weight Status
- Older Adults
- Sexually Transmitted Diseases
- Sleep Health
- Telehealth
- Tobacco Use
- Violence Prevention
- Vision
- Wound Care
- Housing & Homelessness
- Transportation
- Unemployment & Poverty
- Other Social Determinants of Health
- Other (specify)

Q57. Please describe how the needs and priorities identified in your most recent CHNA compare with those identified in your previous CHNA.

While demographics have shifted in recent years in Prince George's County, specifically in the three zip codes served by FWMC, the conditions and areas of focus remain the same, which are adult and adolescent physical activity, lack of access to primary care physicians, hypertension, lack of health care education, diabetes, obesity, transportation, and more. There remains a clear need for more stringent guidance and accountability among community health providers. The following is a list of areas intended to support effective strategy implementation, to eliminate the one-size-fits-all approach. FWMC believes that such practices should be adapted for context, situation, and available resources to ensure accountability and shared ownership for health among stakeholders. • Assessments that span jurisdictions • Collaboration across sectors • Community involvement • Data on social determinants • Explicit criteria to set priorities • Identify community assets • Monitoring and evaluation • Oversight and Public reporting • Shared investment in implementation • Small area analysis

Q58. (Optional) Please use the box below to provide any other information about your CHNA that you wish to share.

Q59. (Optional) Please attach any files containing information regarding your CHNA that you wish to share.

### Q60. Section III - CB Administration Part 1 - Participants

Q61. Please use the table below to tell us about how internal staff members were involved in your hospital's community benefit activities during the fiscal year.

	Activities										Other (explain)	Other - If you selected "Other (explain)," please type your explanation below:
	N/A - Person or Organization was not Involved	N/A - Position or Department does not exist	Selecting health needs that will be targeted	Selecting the initiatives that will be supported	Determining how to evaluate the impact of initiatives	Providing funding for CB activities	Allocating budgets for individual initiatives	Delivering CB initiatives	Evaluating the outcome of CB initiatives	Other (explain)

Q64. Section III - CB Administration Part 2 - Process & Governance

Q65. Does your hospital conduct an internal audit of the annual community benefit financial spreadsheet? Select all that apply.

- Yes, by the hospital's staff
- Yes, by the hospital system's staff
- Yes, by a third-party auditor
- No

Q66. Does your hospital conduct an internal audit of the community benefit narrative?

- Yes
- No

Q67. Please describe the community benefit narrative audit process.

*This question was not displayed to the respondent.*

Q68. Does the hospital's board review and approve the annual community benefit financial spreadsheet?

- Yes
- No

Q69. Please explain:

*This question was not displayed to the respondent.*

Q70. Does the hospital's board review and approve the annual community benefit narrative report?

- Yes
- No

Q71. Please explain:

*This question was not displayed to the respondent.*

Q72. Does your hospital include community benefit planning and investments in its internal strategic plan?

- Yes
- No

Q73. Please describe how community benefit planning and investments are included in your hospital's internal strategic plan.

The community benefits planning and investments are included in our strategic plan by way of aligning development and community plans with respective department annual budgets (outlining specific programs and activities), and then monitoring and tracking key performance indicators and anticipated outcomes. The plan is based on community needs surveys and EMR/EHR statistics.

Q74. (Optional) If available, please provide a link to your hospital's strategic plan.

Q75. (Optional) Is there any other information about your hospital's community benefit administration and external collaboration that you would like to provide?

Q76. (Optional) Please attach any files containing information regarding your hospital's community benefit administration and external collaboration.

Q77. Based on the implementation strategy developed through the CHNA process, please describe *three* ongoing, multi-year programs and initiatives undertaken by your hospital to address community health needs during the fiscal year.

Q78. Section IV - CB Initiatives Part 1 - Initiative 1

Q79. Name of initiative.

Community Outreach Health Screenings

Q80. Does this initiative address a community health need that was identified in your most recently completed CHNA?

- Yes
- No

Q81. In your most recently completed CHNA, the following community health needs were identified:  
**Access to Health Services: Health Insurance, Access to Health Services: Practicing PCPs, Access to Health Services: Regular PCP Visits, Adolescent Health, Behavioral Health, including Mental Health and/or Substance Abuse, Cancer, Chronic Kidney Disease, Diabetes, Educational and Community-Based Programs, HIV, Immunization and Infectious Diseases, Nutrition and Weight Status, Physical Activity, Other Social Determinants of Health**  
**Other:**

Using the checkboxes below, select the needs that appear in the list above that were addressed by this initiative.

| <input type="checkbox"/> Health-Related Quality of Life & Well-Being                       | <input type="checkbox"/> Other (specify) <input type="text"/>           |

Q82. When did this initiative begin?

01/01/2010

Q83. Does this initiative have an anticipated end date?

- No, the initiative has no anticipated end date.
- The initiative will end on a specific end date. Please specify the date.
- The initiative will end when a community or population health measure reaches a target value. Please describe.

- The initiative will end when a clinical measure in the hospital reaches a target value. Please describe.

- The initiative will end when external grant money to support the initiative runs out. Please explain.

- The initiative will end when a contract or agreement with a partner expires. Please explain.

- Other. Please explain.

Q84. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

The community Outreach and health screenings mainly target the African American communities, with low to no health insurance, no transportation, or direct access to primary care physicians, and low education status. While the majority of the population is females, there is a large portion of men requiring diabetes services.

Q85. Enter the estimated number of people this initiative targets.

106,000

Q86. How many people did this initiative reach during the fiscal year?

25000

Q87. What category(ies) of intervention best fits this initiative? Select all that apply.

- Chronic condition-based intervention: treatment intervention
- Chronic condition-based intervention: prevention intervention
- Acute condition-based intervention: treatment intervention
- Acute condition-based intervention: prevention intervention
- Condition-agnostic treatment intervention
- Social determinants of health intervention
- Community engagement intervention
-

Other. Please specify.

Q88. Did you work with other individuals, groups, or organizations to deliver this initiative?

Yes. Please describe who was involved in this initiative.

No.

Q89. Please describe the primary objective of the initiative.

The primary objectives of the community outreach and health screenings are to help bridge the gap for populations that lack adequate health insurance; lack transportation to primary care facilities, and to education communities on health resources available to people through their local hospital. Additionally, to provide preliminary health screenings that may help identify issues not diagnosed.

Q90. Please describe how the initiative is delivered.

This initiative is delivered in person, through one-on-one contact at community health fairs and events where the community is invited to learn more about health care programs and services offered at FWMC.

Q91. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

- Count of participants/encounters Sign-in forms, emails, number of materials/literature given away
- Other process/implementation measures (e.g. number of items distributed)
- Surveys of participants
- Biophysical health indicators
- Assessment of environmental change
- Impact on policy change
- Effects on healthcare utilization or cost
- Assessment of workforce development
- Other

Q92. Please describe any observed outcome(s) of the initiative (i.e., not intended outcomes).

There has been an uptick of sign-ups and participation in our diabetes education program after people have attended community outreach initiatives where we participated. Participation in the all-men diabetes education classes is particularly impressive.

Q93. Please describe how the outcome(s) of the initiative addresses community health needs.

The outcomes directly address diabetes education and prevention, which is a huge health problem in our service area of Prince George's County. By addressing diabetes, other health related problems are also often addresses, such as heart disease, stroke, and obesity. Additionally, we get the opportunity to education a population that lags behind in diabetes care.

Q94. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

\$15,403.35

Q95. (Optional) Supplemental information for this initiative.

Q96. Section IV - CB Initiatives Part 2 - Initiative 2

Q97. Name of initiative.

Diabetes Self Management Education Program

Q98. Does this initiative address a need identified in your most recently completed CHNA?

- Yes
- No

Q99. In your most recently completed CHNA, the following community health needs were identified:  
**Access to Health Services: Health Insurance, Access to Health Services: Practicing PCPs, Access to Health Services: Regular PCP Visits, Adolescent Health, Behavioral Health, including Mental Health and/or Substance Abuse, Cancer, Chronic Kidney Disease, Diabetes, Educational and Community-Based Programs, HIV, Immunization and Infectious Diseases, Nutrition and Weight Status, Physical Activity, Other Social Determinants of Health**  
**Other:**

Using the checkboxes below, select the needs that appear in the list above that were addressed by this initiative.

Q100. When did this initiative begin?

04/05/2014

Q101. Does this initiative have an anticipated end date?

- No, the initiative does not have an anticipated end date.

The initiative will end on a specific end date. Please specify the date.

The initiative will end when a community or population health measure reaches a target value. Please describe.

The initiative will end when a clinical measure in the hospital reaches a target value. Please describe.

The initiative will end when external grant money to support the initiative runs out. Please explain.

The initiative will end when a contract or agreement with a partner expires. Please explain.

Other. Please explain.

Q102. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

Community residents with pre-diabetes and chronic diabetes. Additionally, the majority of the patients that presented in the program show one or more of the following characteristics: high blood pressure, elevated cholesterol levels, hospital re-admissions, obesity, poor health conditions, low accesses to health care or a general interest in diabetes care due to family history.

Q103. Enter the estimated number of people this initiative targets.

Q104. How many people did this initiative reach during the fiscal year?

Q105. What category(ies) of intervention best fits this initiative? Select all that apply.

- Chronic condition-based intervention: treatment intervention
- Chronic condition-based intervention: prevention intervention
- Acute condition-based intervention: treatment intervention
- Acute condition-based intervention: prevention intervention
- Condition-agnostic treatment intervention
- Social determinants of health intervention
- Community engagement intervention
- Other. Please specify.

Q106. Did you work with other individuals, groups, or organizations to deliver this initiative?

Yes. Please describe who was involved in this initiative.

Lifescan, NOvonordisk, Eli Lilly

No.

Q107. Please describe the primary objective of the initiative.

To provide ongoing education and assistance to all individuals with diabetes to maintain glycemic control, through the implementation of the American Association of Diabetes Educators 7 Core Self-Care Behaviors which include, Healthy Eating, Monitoring, Goal Setting, Being Active, Medications, Healthy Coping and Reducing Risks.

Q108. Please describe how the initiative is delivered.

Diabetes Education is provided based upon the American Association of diabetes Educators 7 Core Self-care Behaviors. Monitoring, Healthy Eating, Healthy Coping, Being Active, Taking Medications, Reducing Risks, and Goal Setting. Implementation of these core behaviors helps to ensure that participants are getting all of the pertinent information they need to succeed in the management of their diabetes. The initiative is also delivered in several settings such as classes, classes held throughout the community, participation in community health fairs and expos, as well as the production of monthly awareness events, and nutritional counseling.

Q109. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

Count of participants/encounters

Other process/implementation measures (e.g. number of items distributed)

Distribution of diabetes supplies and inpatient stay education has aided in the reduction of readmission for patients admitted for complications from diabetes.

Surveys of participants

Biophysical health indicators

Assessment of environmental change

Impact on policy change

Effects on healthcare utilization or cost

Assessment of workforce development

Other

Q110. Please describe any observed outcome(s) of the initiative (i.e., not *intended* outcomes).

Individuals became more aware of the importance of proper nutrition, diabetes medication management, exercise, healthy coping and preventing complications

Q111. Please describe how the outcome(s) of the initiative addresses community health needs.

Participants have received ongoing diabetes self-management education in the form of private consultations and classes, tools in the form of evidence-based educational materials such as handouts and pamphlets to help with understanding, along with log books, glucometers, medication savings cards and other pertinent information and support to help them take control of their diabetes and live well. Individuals who have completed the classes have shown improvement in the management of their diabetes as demonstrated in their lowered A1C's.

Q112. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

\$115,041.44

Q113. (Optional) Supplemental information for this initiative.

Q115. Name of initiative.

HIV/Hep C Testing Program/Gilead Grant

Q116. Does this initiative address a need identified in your most recently completed CHNA?

- Yes
- No

Q117. In your most recently completed CHNA, the following community health needs were identified:  
**Access to Health Services: Health Insurance, Access to Health Services: Practicing PCPs, Access to Health Services: Regular PCP Visits, Adolescent Health, Behavioral Health, including Mental Health and/or Substance Abuse, Cancer, Chronic Kidney Disease, Diabetes, Educational and Community-Based Programs, HIV, Immunization and Infectious Diseases, Nutrition and Weight Status, Physical Activity, Other Social Determinants of Health**  
**Other:**

Using the checkboxes below, select the needs that appear in the list above that were addressed by this initiative.

| <input type="checkbox"/> Global Health   | <input type="checkbox"/> Transportation                                 |
| <input type="checkbox"/> Health Communication and Health Information Technology            | <input type="checkbox"/> Unemployment & Poverty                         |
| <input type="checkbox"/> Health Literacy   | <input type="checkbox"/> Other Social Determinants of Health            |
| <input type="checkbox"/> Health-Related Quality of Life & Well-Being                       | <input type="checkbox"/> Other (specify) <input type="text"/>           |

Q118. When did this initiative begin?

2016

Q119. Does this initiative have an anticipated end date?

- No, the initiative does not have an anticipated end date.
- The initiative will end on a specific end date. Please specify the date.
- The initiative will end when a community or population health measure reaches a target value. Please describe.

The initiative will end when a clinical measure in the hospital reaches a target value. Please describe.

The initiative will end when external grant money to support the initiative runs out. Please explain.

This initiative is grant funded and must be renewed yearly. There are also clinical data requirements that need to be met.

The initiative will end when a contract or agreement with a partner expires. Please explain.

Other. Please explain.

Q120. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

The initiative targets patients that visit the emergency department or that are admitted into the hospital. Patients are tested if they are between the age of 13-76.

Q121. Enter the estimated number of people this initiative targets.

32632

Q122. How many people did this initiative reach during the fiscal year?

25786

Q123. What category(ies) of intervention best fits this initiative? Select all that apply.

- Chronic condition-based intervention: treatment intervention
- Chronic condition-based intervention: prevention intervention
- Acute condition-based intervention: treatment intervention
- Acute condition-based intervention: prevention intervention
- Condition-agnostic treatment intervention
- Social determinants of health intervention
- Community engagement intervention
- Other. Please specify.

Q124. Did you work with other individuals, groups, or organizations to deliver this initiative?

Yes. Please describe who was involved in this initiative.

Gilead Sciences

Q125. Please describe the primary objective of the initiative.

Provide patients an avenue to know their status for HIV and Hep C through testing, and to also provide educate on prevention and where to seek treatment.

Q126. Please describe how the initiative is delivered.

Patients who come into the ED for treatment and who do not opt-out will receive a blood draw to test for HIV and Hep.C.

Q127. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

- Count of participants/encounters The is a benchmark set for the number of tests performed each month.
- Other process/implementation measures (e.g. number of items distributed)
- Surveys of participants
- Biophysical health indicators
- Assessment of environmental change
- Impact on policy change
- Effects on healthcare utilization or cost
- Assessment of workforce development
- Other

Q128. Please describe any observed outcome(s) of the initiative (i.e., not *intended* outcomes).

Patients are becoming increasingly aware that our hospital offer this service and at times will ask for the testing when they arrive to the ED.

Q129. Please describe how the outcome(s) of the initiative addresses community health needs.

HIV is spreading within the Prince George's County community and this initiative helps to bring about awareness of current health status and possibly prevent the further spread of disease.

Q130. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

\$1,371,743.00

Q131. (Optional) Supplemental information for this initiative.

### Q132. Section IV - CB Initiatives Part 4 - Other Initiative Info

Q133. Additional information about initiatives.

Q134. (Optional) If you wish, you may upload a document describing your community benefit initiatives in more detail, or provide descriptions of additional initiatives your hospital undertook during the fiscal year. These need not be multi-year, ongoing initiatives.

Q135. Were all the needs identified in your most recently completed CHNA addressed by an initiative of your hospital?

- Yes
- No

Q136.

In your most recently completed CHNA, the following community health needs were identified:  
**Access to Health Services: Health Insurance, Access to Health Services: Practicing PCPs, Access to Health Services: Regular PCP Visits, Adolescent Health, Behavioral Health, including Mental Health and/or Substance Abuse, Cancer, Chronic Kidney Disease, Diabetes, Educational and Community-Based Programs, HIV, Immunization and Infectious Diseases, Nutrition and Weight Status, Physical Activity, Other Social Determinants of Health**  
**Other:**

Using the checkboxes below, select the needs that appear in the list above that were NOT addressed by your community benefit initiatives.

*This question was not displayed to the respondent.*

Q137. Why were these needs unaddressed?

*This question was not displayed to the respondent.*

Q138. Do any of the hospital's community benefit operations/activities align with the State Health Improvement Process (SHIP)? Specifically, do any activities or initiatives correspond to a SHIP measure within the following categories?

See the SHIP website for more information and a list of the measures:  
<https://pophealth.health.maryland.gov/Pages/SHIP-Lite-Home.aspx>

	Select Yes or No	
	Yes	No
Healthy Beginnings - includes measures such as babies with low birth weight, early prenatal care, and teen birth rate	<input type="radio"/>	<input checked="" type="radio"/>
Healthy Living - includes measures such as adolescents who use tobacco products and life expectancy	<input type="radio"/>	<input checked="" type="radio"/>
Healthy Communities - includes measures such as domestic violence and suicide rate	<input type="radio"/>	<input checked="" type="radio"/>
Access to Health Care - includes measures such as adolescents who received a wellness checkup in the last year and persons with a usual primary care provider	<input type="radio"/>	<input checked="" type="radio"/>
Quality Preventive Care - includes measures such as annual season influenza vaccinations and emergency department visit rate due to asthma	<input type="radio"/>	<input checked="" type="radio"/>

Q139. (Optional) Did your hospital's initiatives in FY 2018 address other, non-SHIP, state health goals? If so, tell us about them below.

## Q140. Section V - Physician Gaps & Subsidies

Q141. As required under HG §19-303, please select all of the gaps in physician availability in your hospital's CBSA. Select all that apply.

- No gaps
- Primary care
- Mental health
- Substance abuse/detoxification
- Internal medicine
- Dermatology
- Dental
- Neurosurgery/neurology
- General surgery
- Orthopedic specialties
- Obstetrics
- Otolaryngology
- Other. Please specify.

Q142. If you list Physician Subsidies in your data in category C of the CB Inventory Sheet, please indicate the category of subsidy, and explain why the services would not otherwise be available to meet patient demand.

Hospital-Based Physicians	Anesthesia services/radiology
Non-Resident House Staff and Hospitalists	Inpatient services are not profitable
Coverage of Emergency Department Call	There is a select demand for some emergency room services
Physician Provision of Financial Assistance	
Physician Recruitment to Meet Community Need	
Other (provide detail of any subsidy not listed above)	
Other (provide detail of any subsidy not listed above)	
Other (provide detail of any subsidy not listed above)	

Q143. (Optional) Is there any other information about physician gaps that you would like to provide?

Q144. (Optional) Please attach any files containing further information regarding physician gaps at your hospital.

Q145. Section VI - Financial Assistance Policy (FAP)

Q146. Upload a copy of your hospital's financial assistance policy.

[FINAL - Financial Assistance Policy.pdf](#)  
1.2MB  
application/pdf

Q147. Upload a copy of the Patient Information Sheet provided to patients in accordance with Health-General §19-214.1(e).

[FINAL - Patient Information Sheet.pdf](#)  
60.8KB  
application/pdf

Q148. Maryland hospitals are required under COMAR 10.37.10.26(A-2)(2)(a)(i) to provide free medically necessary care to patients with family income at or below 200 percent of the federal poverty level (FPL). Please select the percentage of FPL below which your hospital's FAP offers free care.

Q149. Maryland hospitals are required under COMAR 10.37.10.26(A-2)(2)(a)(ii) to provide reduced-cost, medically necessary care to low-income patients with family income between 200 and 300 percent of the federal poverty level. Please select the range of the percentage of FPL for which your hospital's FAP offers reduced-cost care.

Q150. Maryland hospitals are required under COMAR 10.37.10.26(A-2)(3) to provide reduced-cost, medically necessary care to patients with family income below 500 percent of the federal poverty level who have a financial hardship. Financial hardship is defined as a medical debt, incurred by a family over a 12-month period that exceeds 25 percent of family income. Please select the range of the percentage of FPL for which your hospital's FAP offers reduced-cost care for financial hardship. Please select the threshold for the percentage of medical debt that exceeds a household's income and qualifies as financial hardship.

Q151. Please select the threshold for the percentage of medical debt that exceeds a household's income and qualifies as financial hardship.

Q152. Has your FAP changed within the last year? If so, please describe the change.

- No, the FAP has not changed.
- Yes, the FAP has changed. Please describe:

Q153. (Optional) Is there any other information about your hospital's FAP that you would like to provide?

Q154. (Optional) Please attach any files containing further information about your hospital's FAP.

## Q155. Summary & Report Submission

Q156.

### Attention Hospital Staff! IMPORTANT!

You have reached the end of the questions, but you are not quite finished. Your narrative has not yet been fully submitted. Once you proceed to the next screen using the right arrow button below, you cannot go backward. You cannot change any of your answers if you proceed beyond this screen.

We strongly urge you to contact us at [hcbhelp@hilltop.umbc.edu](mailto:hcbhelp@hilltop.umbc.edu) to request a copy of your answers. We will happily send you a pdf copy of your narrative that you can share with your leadership, Board, or other interested parties. If you need to make any corrections or change any of your answers, you can use the Table of Contents feature to navigate to the appropriate section of the narrative.

Once you are fully confident that your answers are final, return to this screen then click the right arrow button below to officially submit your narrative.

---

Thank you for submitting Fort Washington Medical Center's FY 2019 Community Benefit Narrative Report. Upon reviewing your report, we require clarification of certain issues:

- In response to Question 48 beginning on page 5 of the attached, for the lines on both "Community Benefit Task Force" and "Hospital Advisory Board" you select options indicating that they were involved as well as not involved in the CHNA process. Please clarify whether and how these entities were involved in the CHNA process.
- Similarly, in response to Question 63 beginning on page 13 of the attached, for the line on "Local Health Department" you select options indicating that they were both involved and not involved in community benefit activities. Please clarify.
- In the same question, "Community/Neighborhood Organizations" are listed as involved but not identified by name. Please provide the names of any relevant organizations.
- In response to Question 81 beginning on page 17 of the attached, you indicate that the following are CHNA needs addressed by the Community Outreach Health Screenings initiative: "Community Unity," "Family Planning," "Health Literacy," "Heart Disease and Stroke," "Sexually Transmitted Diseases." Your response to Question 56 beginning on page 10 does not include these as needs identified in the CHNA. Please indicate whether these needs should have been selected in Question 56, or should not have been selected in Question 81.
- In response to Question 93 on page 19 you indicate increases in participation but do not provide any data. If possible, please provide more detail on outcomes of the initiative.
- In response to Question 130 on page 25, you provide a cost figure for the HIV/Hep C Testing Program initiative. Previously, in Question 119, you mention that the initiative receives grant funding. Please confirm that the reported total cost of \$1,371,743 is separate from any grant dollars received.
- Your response to the lower threshold for Question 149 on page 27 is unclear. Did you intend to select "200?"

Please provide your clarifying answers as a response to this message. Thank you for your attention to this matter.
